# CERTIFICARE PRODUS

## PRODUS : BANDA POLYESTER WC

|                  |               |          |                     |
|------------------|---------------|----------|---------------------|
| Cod:             | WG45/175      | WG45/400 | WG45/1100           |
| Lungime (m):     | 175           | 400      | 1100                |
| Miez Ø mm:       | 60            | 60       | 76                  |
| Buc/cutie:       | 8             | 8        | 2                   |
| Puterea minima.: | 500 kilopond; |          | Numar fire: 11 buc. |

Material: 85 % fir polyester rasucit 15 % adeziv  
Latime: 13 mm Precizie la lungimea rolei: +/- 2%

## CERTIFICARE A FIRULUI DE POLYESTER

|                     |               |
|---------------------|---------------|
| Dtex:               | 5600          |
| Tenactate per dtex: | 8,1 cN +/- 2% |
| Lungire:            | 13.5 +/- 3%   |

## CALCULATIE PUTERE DE RUPERE

Fire x Dtex x tenacitate per dtex = 508 kg
